VSR Lamborghinis return to Endurance Cup with Pro and Silver driver line-ups

After racing last year in the GT World Challenge Asia, taking race wins at Sepang, Fuji and Okayama, VSR returns to Europe this year, running two cars in the prestigious Endurance Cup.

The Pro line-up features Lamborghini factory drivers Marco Mapelli, Sandy Mitchell and Franck Perera teaming-up behind the wheel of the 163 Lamborghini which will feature sponsorship from Agrati Performance and their Tokbo brand.

Michele Beretta, who won the GT Open title in 2021 with VSR, returns to the team for 2025 and will race in the Silver Cup entry. Alongside him Alessio Deledda and Finlay Hutchinson bring both speed and experience to the squad.

Vincenzo Sospiri (Team Principal): The GT World Challenge Endurance Cup is one of the toughest GT Championships in the world. I'm proud to have two cars on the grid in this very competitive series and look forward to my team and drivers taking on the challenge of racing against the very best. As always a huge thank you to Lamborghini Squadra Corse for their support.

The VSR Lamborghinis will sport a new livery for the 2025 European season.
